WASHINGTON, DC

ORDER NO. 6857

IN THE MATTER OF:

Served October 17, 2002

L&N TRANSPORTATION COMPANY, INC., }
Suspension and Investigation of }
Revocation of Certificate No. 254 }

Case No. MP-2002-102

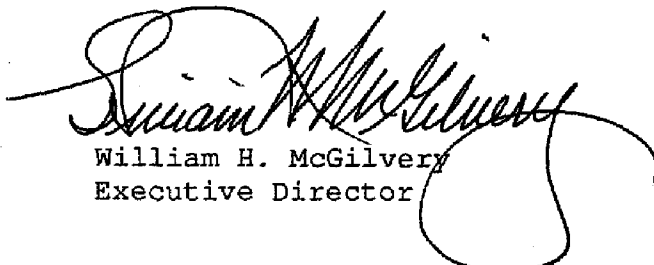

Certificate No. 254 has been suspended since September 26, 2002, pursuant to Commission Regulation No. 58-02, for respondent's willful failure to replace an expired \$5 million WMATC Certificate of Insurance and Policy Endorsement (WMATC Endorsement).

Prior to the suspension, respondent applied to lower the minimum insurance requirement to \$1.5 million by adding a 15-person seating capacity restriction to Certificate No. 254. The application was conditionally approved in Order No. 6817 on September 24, 2002,¹ and respondent filed a \$1.5 million WMATC Endorsement the next day. As of September 26, 2002, however, respondent had failed to satisfy all of the conditions specified in Order No. 6817, leaving Certificate No. 254 unrestricted and the minimum insurance requirement at \$5 million.

Respondent has now satisfied all of the conditions specified in Order No. 6817, and Certificate No. 254 has been amended to include a 15-person seating capacity restriction, thereby lowering the minimum insurance requirement to \$1.5 million. Accordingly, the suspension is lifted, and this investigation is terminated.

IT IS SO ORDERED.
